

## Call for Artwork Submissions

by Clarksville-Montgomery County Beekeeping Association (CMCBA)  
For the First Annual **Celebration of Pollinators** Calendar

The Clarksville-Montgomery County Beekeeping Association (CMCBA) is putting out a call to artists/photographers who are interested in having their work featured in the First Annual **Celebration of Pollinators Calendar**.

Submitted work will be juried to determine which pieces are featured each month, as well as which artwork appears on the cover. Calendars will be available to the public through the CMCBA website and its participating partners.

The calendar will celebrate our area's vital pollinators with the goal of encouraging the community to engage with nature and take a proactive self-paced educational tour of our local pollinators and pollinator friendly environments. Each month will feature a photograph or artwork.

While studying the area pollinators an applicant is encouraged to take photographs and/or create art pieces (in any art medium) appropriate for a month of the calendar. Photos and other art must feature pollinators of Montgomery County, Tennessee or the surrounding area. Photo/art must include a pollinator (examples: Bee, Wasp, Moth, Fly, Beetle); art with humans represented will not be accepted.

Artwork will be accepted via email [HealthyPollinators@gmail.com](mailto:HealthyPollinators@gmail.com) until Monday, November 30, at 4:00pm. Submitted images must be in JPEG/JPG format with at least a 300 dpi resolution. As this year's calendar is a wall calendar, submitted images should be horizontally oriented. Please submit no more than two entries.

Interested artists can find more information and download a Calendar Application at <http://www.cmcba.com>
